RIDGE RECAPTURES STATE NRA & PRPA 3 POSITION AIR RIFLE TITLE

By Bill Earnest, Air Rifle & Junior Olympic Rifle Director

In a surprising comeback from a relatively unsuccessful season, Kenny Ridge of the Langhorne-Zerbe Clubs shot a very respectable 593 out of a possible 600 to regain his status as the Pennsylvania State NRA 3-Position Air Rifle Champion. Ken won the Championship at its inception 2 years ago at the Zerbe Township Rod & Gun Club range, but lost the title in 2005 to Tommy Santelli of the Frazier-Simplex Rifle Club.

After the match was over and the scores were checked (and rechecked at Ken's insistence), he said that he had put forth a special effort for his coach and his club for his last match as a junior. Ken leaves for West Point Military Academy after his high school graduation. A shining example of what shooting can do for a junior if he shoots well, works hard, and also keeps his grades up. Ken is an advanced placement student in high school in addition to being an Eagle Scout. I can't help but say how proud I am for having had the good fortune of being Ken's coach and good friend for the past 10 years.

A number of other notable performances in the precision event were turned in. Tommy Santelli of Frazier - Simplex Rifle Club took second place overall. Justin Pentz (DuBois Club) took 3rd place overall. Both of these juniors shot the same score in all three positions, with the tie breaker going to Santelli. It is also notable that both of these juniors made this year's National Junior Development Team. **Congratulations guys, nobody shoots like Pennsylvania!** In the junior category, first place went to Kyle Smith (DuBois), second place to Brad Stepp (Palmyra), and third to Jennifer Hawk (Zerbe). Intermediate Junior Winners: First place--Michael Kulbacki (DuBois), Second--Aaron Holsopple (DuBois), Third place--Allison Paulson (Palmyra). In the Sub-Junior category, Emily Holsopple of DuBois led the field, with Brent Books of Oil City Second, and Elizabeth Embeck of Capital Area Rifle Team placing Third. DuBois Storm won the State Champion Precision Team with the Palmyra Team winning the Intermediate Junior and placing second overall in team.

In the Sporter Air Rifle Championship, Lauren Strebel blazed a 552 to become the 2006 Pennsylvania State NRA Three-Position Sporter Air Rifle Champion. Second overall went to Abby Wert; both these girls shoot for the Palmyra Club. Third overall went to Alyssa Harris of the Blair County Club. First and second place Intermediate Juniors were Cody Enders and Lara Gingrich (both of Capital), with Garrett Harris of Blair County in third place. Sub-Junior honors went to Alyssa Gestl of Palmyra (first place), Amanda Stockton (second), and Chris Fischer of Blair County (third). The Palmyra Intermediate Junior team is the 2006 Pennsylvania State Champion Sporter Team. Blair County won the Intermediate Junior Team Category.

CHANGING OF THE GUARD

by Jack Lee

Several weeks ago I was contacted by my old friend, Bill Sipple, Jr., concerning his position as Chairman of the Pistol Committee. I originally became acquainted with Bill through his dad, Bill, Sr. Bill, Sr. was very active with high power rifle shooting with the Altoona Rifle and Pistol Assn. and we enjoyed many rifle matches together back when I was a young fellow in the 1960's.

Bill is a fine gentleman and a credit to the shooting fraternity. Bill has served in numerous positions with Pennsylvania Rifle and Pistol Assn., not only as Chairman of the Pistol Committee but also as President of the organization. He has always done a great job in any task he has willingly accepted.

With regret, I have accepted Bill's request that he be replaced as Pistol Committee Chairman due to personal reasons. Quoting Bill, "Due to some continuing health problems and spending more time out of state during the winter months, I need to step down as Pistol Chairman". Bill will stay involved in PRPA activities. He has already suggested a replacement for his position and arranged a meeting to complete an effective transition.

Bill has recommended that Jeff Lloyd be named as Pistol Committee Chairman and I have approved this recommendation. Jeff has accepted this position and has already become involved in his duties as Chairman. Jeff will be contacting other pistol shooters to serve on his committee and assist him in his tasks. Thanks loads Jeff.

And thanks to you Bill, not only for your many years of service and dedication to PRPA and the shooting fraternity, but also for your continued friendship over these many years. Godspeed. May the sun warm you during the day and the moon guide your way at night. Shoot only x's and keep us in your thoughts. We look forward to our future times together.

PRESIDENT'S LETTER

Summer is here and competitive shooting events are being held throughout Pennsylvania. Many of these matches are being used by shooters to prepare for the National Matches at Camp Perry and to select team members to compete at those annual events. Others, such as the Pennsylvania Service Rifle Championship and the Pennsylvania High Power Championship, determine state champions for 2006 in addition to helping prepare shooters for the National Matches,

It was my pleasure to serve as Range Officer at the First Regional High Power Rifle competition held at Reade Range (Clearfield County, PA) on June 3, 2006. As far as can be determined, this match was the first NRA sanctioned Regional High Power Rifle match ever held in Pennsylvania. (If anyone knows otherwise, please send me details.) Reade Range began operation in 1962 on property owned by fellow competitor, Bill Wagner, using target carriers dating from WWII and obtained from the Altoona Rifle and Pistol Assn. Reade Range has expanded to 25 targets with firing lines at 200, 300, 500, 600, 800, 900 and 1000 yards. With six relays of shooters, this range can accommodate up to 150 shooters per day at each scheduled competition. Look at WWW.READERANGE.ORG for more details.

A number of the shooters at this Regional event are veteran competitors who have fired matches at most of the top ranges east of the Mississippi River. They rate Reade Range as among the best five ranges in the East. I give tremendous credit to those who have spent so many hours planning, assembling, building and performing the work necessary to bring this range to what it is today. I enjoy working with all of them. Its fun to compete there! Why don't you visit and compete? You will find a great bunch of guys and gals who are more than willing to help train and direct new shooters to safely compete in high power rifle matches.

WHAT HAPPENED AT THE PENNSYLVANIA PRIMARY?

By Jack Lee

Most Pennsylvania citizens were rightly concerned when the legislature passed the "middle-of-the-night pay raise" last year. You made your feelings known and last November the pay raise was rescinded. However, because of the upheaval that occurred, we saw the rise of Pennsylvania Clean Sweep. They picked up on the pay raise issue by promoting the idea that all legislators be voted out of office. This narrow view of politics and the way it works has created a serious problem for those of us who have worked long and hard to maintain our constitutional rights. As my wife noted on the evening prior to primary Election Day, "voters need to be careful that they don't throw the baby away with the bath water." But that's what happened. Their "we'll show them" attitude led to the removal of 13 pro-gun legislators but gave no real answers nor recognized the problems that exist within the Pennsylvania House. Blind following of the direction advocated by Clean Sweep created the "Unintended Consequences" that normally arise after a group responds to emotion rather than facts and reality.

Due to retirements and losses in the Primary Election, at least 45 members of the House will be replaced. Of these, 13 were pro-gun incumbents who lost in the primary, while 23 were pro-gun retirees. What influence will Clean Sweep have in the General Election in November? How will the voters respond? How will you respond? Further, how will the primary vote affect the political leaders who twisted arms, bullied and otherwise forced legislators to support the pay raise issue? Only two of those leaders were removed while it is most likely that those who remain in powerful leadership positions will still be there after the General Election. Will the remaining leadership force their positions on freshmen legislators? And equally important, 54 pro-gun House members are involved in contested races in the general election. How many of these House members will also get replaced due to Clean Sweep emotion? What are the consequences? It's up to you; become active, evaluate your candidates, understand the political process, fight for your freedoms and vote. But Clean Sweep is not the way!

submitted by Ernie Harpster

Centre County's Tussey Mountain Junior 4-H Rifle Club has sponsored the CENTRAL PENNSYLVANIA 4-H SPORTER POSTAL LEAGUE for the past three years. The 2006 league included clubs from Blair, Bedford, Clearfield, Centre, and Cumberland counties

Scores were submitted monthly from January through April in three classes: novice (ages 8-11), intermediate (ages 12-14), and senior (ages 15-19).

On a monthly basis, there was an average participation of 17 individuals from four clubs in the novice class, 19 individuals from five clubs in the intermediate class, and 11 individuals from four clubs in the senior class.

An end of the year shoulder-to-shoulder match was held at Harrisburg on May 6th in conjunction with the Pennsylvania American Legion State Championship Match with the following results: 4-H match winner – Alyssa Harris (Blair County Sharpshooters), 1st novice – Emily Harris (Blair County Sharpshooters), 2nd novice – Thomas Shughart (Mechanicsburg), 3rd novice – Brian Stockton (Mechanicsburg), 1st intermediate – Elizabeth Embeck (Mechanicsburg), 2nd intermediate – Cody Enders (Mechanicsburg), 3rd intermediate – Amanda Stockton (Mechanicsburg), 1st senior – Jared Taylor (Mechanicsburg), 2nd senior – Lara Gingrich (Mechanicsburg).

CHILSON WINS BIG AT McDONALD

Submitted by Andrew Knez, Jr.

On May 6, 2006, Brian Chilson, shooting two guns, won both the iron-sight and scope aggregates at McDonald Sportsmen's Club. Chilson currently holds the National Championship title in both those categories in Black Powder Cartridge Rifle Silhouette. The day was dark and chilly and a strong headwind blew into the faces of the forty-three competitors all day. Chilson shot his Shiloh Sharps 45-90 with 71 grains of Swiss 3F powder behind a Paul Jones 558 grain RN bullet to turn in the winning iron-sight score of 30/40. On alternating relays, he shot his scoped Shiloh Sharps 40-65 with 65 grains of Swiss 3F powder pushing a 425 grain Brooks bullet to turn in a score of 26/40 to win the

scope category. Bob Bloyer and Roy Robinson each turned in excellent scores of 29/40. A shoot-off gave Bloyer the 2nd open place and Robinson the 3rd open place. Aaron Chaffin won the master class and John Whitcomb took 2nd master over Roger Tremba. A 3-way tie in AAA class also had to be broken by a shoot-off, giving Rick Colandangelo 1st AAA, Ken White 2nd AAA and John Powers 3rd AAA. Karl Hovatter won AA class in a shoot-off with Dave Schwartz who finished 2nd AA. Mike Shamonsky took 3rd AA. Ray Dashofy won A class. Frank Cochran won B class and Chuck Edwards took 2nd B. The relatively small scope class was divided into two parts. Brian Chilson won the master and AAA part one and Richard McDonald won the AA, A

and B part two.

I.U.P. JUNIOR SMALLBORE AND AIR RIFLE CAMP

Submitted by David Cramer, PRPA Smallbore Director

During the period 13-18 June 2006, the Pennsylvania Rifle & Pistol Association and the National Rifle Association combined to sponsor a Junior Smallbore and Air Rifle Camp at Indiana University of Pennsylvania (IUP). This intermediate level competition camp was attended by 30 junior shooters from around the state. Seven girls and 23 boys participated, with ages ranging from 11 to 18 years.

The NRA Foundation, utilizing funds raised at Friends of NRA dinners, provided a grant to help support the camp. The Pennsylvania Rifle & Pistol Association also contributed financial support. With these organizations helping, and numerous Indiana County businesses assisting, junior shooters were able to attend shooting camp for a minimal registration fee of \$150. I.U.P provided college dormitory rooms and dining facilities, a number of local businesses provided lunches, and numerous sporting goods items were donated to make-up an impressive match awards package and door prize giveaway.

Most important however was the quality of smallbore rifle and air rifle instruction that the camp participants received. Sixteen different coaches were involved in conduct of range training and classroom instruction. Camp Director David

Cramer of Aliquippa, PA organized the camp and kept the over-all operation on schedule. Local members of Clymer Rifle Club, Joe Benamati of Homer City and Bob King of Ford City, did much of the range preparation activity to conduct the camp. Dale Emerick, North Huntingdon, was instrumental in making the smallbore rifle portion of the camp run smoothly. Terry Lightner, Huntingdon, kept the air rifle operation moving forward. The volunteer coaches from Pennsylvania's Junior shooting programs brought a lot of knowledge and expertise to the juniors.

The camp was divided into 3-Position Air Rifle and 3-Position Smallbore, two days of each, with the shooters alternating days. The camp day began with breakfast at 7:00 a.m. and training sessions started daily by 8:30 a.m. Lunch breaks were at 12:00 noon, with lunch served at range locations, and then more training and shooting till 4:30 p.m. A dinner break back at I.U.P. and then each evening had a special shooting program. The first two evenings were fun matches. 3-P smallbore fun matches with a center shot competition that was held at the Clymer smallbore range, and a 50 ft. air rifle indoor silhouette match conducted at the R.O.T.C. rifle range of I.U.P. The last two evening matches were Olympic finals type competitions, one air rifle and one smallbore. The shooting day ended at about 8:30 p.m. Sunday morning was a camp review and critique by coaches and staff, and a camp awards program. Everyone was a winner of some of the door prizes provided, and the camp shooters who excelled in the individual matches were awarded appropriate match prizes.

Some of the outstanding shooting accomplishments during camp are as follows:

Full Course 3-Position Air Rifle Match: Winner: Brett Books, Seneca, PA, but tied by Ryan Stein, Washington, PA--both firing a 1146.

Half Course 3-Position Smallbore Rifle Match: Winner: Scott Fritz, Berlin, PA with a score of 552.

Half Course 3-Position Air Rifle Match: Winner: Brett Books, with 580

THE UNITED NATIONS 4TH OF JULY PARTY

By Thomas Santelli

This July 4th, while honest law-abiding citizens are celebrating the 230th anniversary of the Declaration of Independence, a different party will be going on at the UN Building in New York City—a party to destroy those 230 years of freedom. On America's birthday, the UN will convene the 2nd United Nations Conference on the Illicit Trade in Small Arms and Light Weapons, comprised of over 500 anti-gun groups all over the world and over 100 countries who would destroy our freedom. Among the nations sponsoring the treaty are over 50 dictatorships and 6 terrorist supporting countries.

Now you may ask yourself...How does this ban apply to the United States? If this treaty is ratified, we are bound by Article 6 of the Constitution to abide by it. That is why we as Americans must stand up against this powerful group of freedom's enemies. They would have every citizen in the U.S. give up their given right to bear arms. The anti-gun groups want complete confiscation of all privately owned firearms.

More than half of those arms are here in America. They belong to you, and they belong to me. We own them as an inherent right of all men. That right is clear, and it is totally unequivocal. It is the right to be free.

How can we allow the foreign clique to take away the rights our fathers and forefathers fought and died for? Our fathers shed their blood for the cause of freedom, and now these men want to take away our freedoms? This is a blatant attack on our Second Amendment rights!

It is time for every law abiding gun owner to speak up or our rights will be taken away. If you are not a member of the NRA already, please join. Express your concern about this treaty to your legislators; urge them to stop this horrific measure from being imposed on the United States. For more information, go to www.stopungunban.org.

YOUTH EXCEL IN 2006 AMERICAN LEGION STATE AIR RIFLE CHAMPIONSHIP!

The American Legion Junior Shooting Sports Program was developed as a gun safety, education, and marksmanship program that provides the elements of safety, education, enjoyment, and competition.

On Saturday, May 6 and Sunday, May 7, 2006, all of this came together at the Third Annual Department of Pennsylvania Junior Air Rifle State Championship. Hosted by Harrisburg Hunters' & Anglers' Association, well over 100 people took part in the event, including young competitors (ages 9 to 17), coaches, parents, and spectators.

When the final shot had been fired, 16-year old Lauren Strebel had totaled a record aggregate score of 551 of a possible 600 points to capture the Sporter Air Rifle Championship. Lauren is a member of the Palmyra Junior Rifle Team sponsored by Palmyra Post 72. She is one of the seven Pennsylvania youth who were invited to compete in the American Legion National Championship in Colorado on August 1-6, 2006.

In the Precision Air Rifle category, 17-year old Tom Santelli gathered the Precision Air Rifle Championship by firing a remarkable 590 score. Santelli is a member of Frazier-Simplex Rifle Club sponsored by Washington's Edwin Scott Linton Post 175. He has represented Pennsylvania previously at the American Legion Nationals and has been invited back for 2006.

State Sporter Air Rifle Champion Lauren Strebel with Erin Gestl, Palmyra Coach

Shooting Sporter Rifle in Age Group 3 (under age 15), 13-year old Elizabeth Embeck won first place in her

class for the second year in a row. Elizabeth is a member of the Capital Area Rifle Team, sponsored jointly by North Harrisburg Post 1001 and Mechanicsburg Post 109. In the same age category, 13-year old Brent Books of Seneca, PA, won the Precision Air Rifle class. Brent is a member of the Oil City Izaak Walton team.

Department Junior Shooting Sports Chairman Ron Keslar made the award presentations and commended the youth for their accomplishments. He noted that this is a sport which brings American Legion Posts, parents and children together in a wholesome activity. Competition shooting requires youth to develop self-discipline as well as respect for others and for authority. Keslar closed the program by encouraging the parents and coaches to continue supporting their children's marksmanship efforts. "This is a program where boys and girls can compete equally and earn the opportunity to represent their community and state in national competitions".

NRA GRANT HELPS YOUTH LEARN FIREARM SAFETY

by Ron Keslar

For the past 36 years, the Pennsylvania State American Legion and the Pennsylvania State Police have partnered in conducting a week-long camp for 17- and 18-year old boys and girls who are looking to a career in law enforcement or the military. The youth come from all over the Commonwealth to attend the summer camp held on June 18-24, 2006 at Scotland School for Veterans' Children in Scotland, PA.

Pennsylvania has 823 American Legion Posts scattered across the state; 240,000 veterans belong to the Pennsylvania American Legion. The American Legion provides a wide range of community service and youth programs with American Legion-State Police Youth Week being unique to Pennsylvania.

The camp includes firearm safety training and a shooting clinic program developed by NRA-certified Legionnaires from North Harrisburg Post 1001. Post 1001

is affiliated with the National Rifle Association, the Civilian Marksmanship Program, USA Shooting, and the PRPA. The program utilizes an old warhorse familiar to many veterans, the .30 US Carbine. As in past years, Colonel Paul Cullinane (US Army, Retired) attended the training program and addressed the youth. Under COL Cullinane's leadership as the Director of Civilian Marksmanship, the carbines were acquired for youth marksmanship and safety training.

The NRA Foundation funded the NRA training materials necessary for the firearm safety training given to the 57 youth attending the 2006 SPYW. Without the FONRA grant, the training could not have taken place. SPYW is open to all Pennsylvania youth—see if you can encourage one to attend in 2007!
